

The Medical **Bulletin**

Editor's Desk

Dr. A. Muruganathan

FIRST DO NO HARM.

Among the many pillars of Medical Ethics ' Do No Harm ' stands tall and is deeply rooted in our contemporaneous medical practice. .It is unethical to inflict more harm than good on patients. The primary focus has always been Harm Avoidance both direct and unintended.' Your life in my hands' holds true and well seeded in our medical profession and endows us with giant...
